EVENT MENU

Middle Eastern Table **Thursday 25th July 2024** **(Buffet)**

Carmen Room
(Kamal El Asfar)

How incredibly fortunate we consider ourselves to have an extremely good Syrian chef in Congleton, who has been providing middle eastern food for our cast and crew for the last year or so, to rapturous applause, and we thought it was about time we shared their food with a wider audience. Clonter is delighted to welcome Kamal and the rest of the El Asfar family, to provide a middle eastern table for you for this event. Using the freshest and most authentic of ingredients, creating an astonishing range of flavours with pomegranate and tomato molasses, safflower, mint, parsley, almonds, and lemon juice, and onion and garlic (of course) to name but a few, making you shut your eyes with appreciation at every mouthful.
